**Supplemental Security Income (SSI) Claim Information Notice --**

**20 CFR, Subpart B, 416.210 -- 0960-0324.** Section 1611(e)(2) of the

Social Security Act requires individuals to file for and obtain all payments

(annuities, pensions, disability benefits, veteran's compensation, etc.) for which they are eligible before qualifying for SSI payments. Individuals do not qualify for SSI if they do not first apply for all other benefits. SSA uses the information on Form SSA-L8050-U3 to verify and establish a claimant's or recipient's eligibility under the SSI program. Respondents are SSI applicants or recipients who may be eligible for other payments from public or private programs.

Type of Request: Revision of an OMB-approved information collection.

**1. Medical Permit Parking Application -- 41 CFR 101-20 - 104.2 --**

**0960-0624.** SSA employees and contractors with a qualifying medical condition who park at SSA-owned and leased facilities may apply to

receive a medical parking permit. SSA uses three forms for this program:

(1) SSA-3192, the Application and Statement. which an individual

completes when first applying for the medical parking space;

(2) SSA-3193, the Physician's Report, which the applicant's physician

completes to verify the medical condition; and (3) SSA-3194, Renewal

Certification, which medical parking permit holders complete to verify

their continued need for the permit. The respondents are SSA employees

and contractors seeking medical parking permits and their physicians.

**Note:** Because SSA employees are Federal workers exempt from the requirements of the Paperwork Reduction Act, the burden below is only for SSA contractors and physicians (of both SSA employees and contractors).

Type of Request: Revision of an OMB-approved information collection.

- 2. Screen Pop -- 20 CFR 401.45 -- 0960-0790.** Section 205(a) of the ACT requires SSA to verify the identity of individuals who request a record or information pertaining to themselves, and to establish procedures for disclosing personal information. SSA established Screen Pop, an automated telephone process, to speed up verification for such individuals. Accessing Screen Pop, callers enter their Social Security number (SSN)

using their telephone keypad or speech technology prior to speaking with a National 800 Number Network (N8NN) agent. The automated Screen Pop application collects the SSN and routes it to the “Start New Call” Customer Help and Information (CHIP) screen. Functionality for the Screen Pop application ends once the SSN connects to the CHIP screen and the SSN routes to the agent’s screen. When the call connects to the N8NN agent, the agent can use the SSN to access the caller’s record as needed. The respondents for this collection are individuals who contact SSA’s N8NN to speak with an agent.

Type of Request: Revision of an OMB-approved information collection.

### **3. Incoming and Outgoing Intergovernmental Personnel Act Assignment**

**Agreement -- 5 CFR 334 -- 0960-0792.** The Intergovernmental Personnel Act (IPA) mobility program provides for the temporary assignment of civilian personnel between the Federal Government and State and local governments; colleges and universities; Indian tribal governments; federally funded research and development centers; and other eligible organizations. The Office of Personnel Management (OPM) created a generic form, the OF-69, for agencies to use as a template when collecting information for the IPA assignment. The OF-69 collects specific information about the agreement including: (1) the enrolled employee’s

name, Social Security number, job title, salary, classification, and address; (2) the type of assignment; (3) the reimbursement arrangement; and (4) an explanation as to how the assignment benefits both SSA and the non-federal organization involved in the exchange. OPM directs agencies to use their own forms for recording these agreements. Accordingly, SSA modified the OF-69 to meet our needs, creating the SSA-187 for incoming employees and the SSA-188 for outgoing employees. SSA collects information on the SSA-187 and SSA-188 to document the IPA assignment and to act as an agreement between the agencies. Respondents are personnel from State and local governments; colleges and universities; Indian tribal governments; federally funded research and development centers; and other eligible organizations who participate in the IPA exchange with SSA.

Type of Request: Revision of an OMB-approved information collection.

<b>Modality of Completion</b>	<b>Number of Respondents</b>	<b>Frequency of Response</b>	<b>Average Burden Per Response</b>	<b>Estimated Total Annual Burden (hours)</b>
